# Home For Sale!

## 204 S. Maple St. Osmond, NE

This quaint home has been completely renovated with outstanding features. The main floor has new kitchen with farmhouse undermount kitchen sink, butcherblock countertop with island and new flooring. The main floor has a dining area, living area and office area with hardwood floors, full bathroom with large shower, toilet and vanity. The home has an open staircase that leads to the main bedroom upstairs. This home has a side entry off the kitchen that leads to a full basement with an option to add an additional bedroom. The home has all new HVAC system, electrical, on demand water heater, water softener and laundry hookups. This home has new doors & windows, vinyl siding, asphalt shingles along with updated foundation. The front patio is accented with a barn wood ceiling. With the additional lot to the North this property all sits on a 100 x 300 lot.
