Home For Sale!

518 E. Hughson St. Randolph, NE

Beautiful Victorian home on a large corner lot. The grand entry way has original oak floors with a walnut inlay design and original open staircase. The main floor offers a updated kitchen in 2019 with stainless steel whirlpool appliances, granite countertops and butcher block top on island. The formal dining room opens up to the kitchen. Also on the main floor is the living room, sitting room with oak pocket doors dividing the rooms, office area and a half bath. The upstairs has a master bedroom with master bath and three additional bedrooms all connecting to a full bathroom that was remodeled in 2023. The laundry room is located upstairs with Maytag washer and dryer and rear butler staircase to the kitchen. The home has a full basement with living room, workout area and large storage room with shelving. The property has an attached 2 car garage, large outdoor patio with hot tub, fire pit, front wrap around porch and two outbuildings. The home has asphalt shingles and vinyl windows both install new in 2016 and the exterior of the home was painted in 2024. The home has gas heat, and updated air conditioning unit, gas hot water heater and water softener. This is a must see, well-preserved Victorian home!
